MEMORANDUM FOR: Acting Director of Central Intelligence

VIA: Acting Director, Intelligence Community Staff

FROM: Director, Community Counterintelligence and Security
Countermeasures Staff, Intelligence Community Staff

SUBJECT: DCID 1/19, "Security Policy for Sensitive Compartmented
Information," Revision and Republication (U)

REFERENCE: Existing DCID 1/19, effective 28 June 1982

1. This memorandum recommends your approval of Attachment 1, the revision of Director of Central Intelligence Directive (DCID) 1/19 that concerns the security policy for Sensitive Compartmented Information (SCI). This draft was accepted and received unanimous concurrence at the 12 January 1987 meeting of the DCI's SCI Forum after discussions and modifications dating back to 1985. I strongly recommend that you approve the DCID before the consensus is eroded by introduction of new personalities into the membership of the SCI Forum. (U)

2. Those portions of the proposed DCID that are different from the existing 28 June 1982 DCID are highlighted and numbered. Attachment 2, keyed to the numbers, gives the reason for the modification. (U)
